GOVERNMENT EXAMINATIONS.

SPECIAL TEST EXAMINATIONS—OCTOBER 1911.

NOTICE TO CANDIDATES FOR THE PRECIS-WRITING TEST.

The following instructions are published in order that candidates may know what is expected of them in this test:—

Instructions to Candidates.

The object of a précis is that any one who has not time to read the original correspondence may, by reading the précis, be put in possession of all the leading features of what passed.

2. The candidate should begin by reading the whole of the correspondence carefully through, without writing anything, so that he may clearly understand what passed and be in a position to decide what are the main heads under which the important facts should be arranged. He should then read through the paper again marking what is important.

3. The précis should begin with a brief and lucid introduction to the subject under treatment. This should be followed by a narrative in the past tense containing a brief and clear statement of the contents of the correspondence, *not* in the order of the papers nor even necessarily in chronological order, but in *logical* order. An abstract of every paper in the correspondence or an index of its contents is not a précis.

4. The merits of a précis are—

(1) to contain all that is important in the correspondence and nothing that is unimportant;
(2) to present this in a readable and consecutive shape, expressed as intelligently and distinctly as possible;
(3) to be as brief as is compatible with completeness and clearness,
(4) to present a strictly accurate and logically connected statement of the contents of the correspondence.

No candidate can expect to pass who omits any one of the most important points; marks will be deducted if unimportant points are included or if facts are repeated unnecessarily; *e.g.*, it is not ordinarily necessary to give the date of every paper in the correspondence and the full name and designation of the writer or recipient of every letter; and if a fact is repeated in different papers it need not generally be noted more than once in the précis.

5. Grammar, spelling, style and handwriting will be considered in assigning marks; but it must be remembered that mere excellence in composition will not compensate for inaccuracy or incompleteness in the presentation of the facts of the correspondence.

These rules will come into force from October 1911:—

(1) Licenses under these rules shall cover the privileges of manufacture and sale of sweet toddy and shall be issued by the Inspector or the Assistant Inspector of the Circle free to *bond fide* manufacturers of jaggery, to those engaged in the sale of padani or sweet toddy and to tree-owners desirous of drawing sweet toddy for domestic consumption. Provided that licenses will be issued in the name of the tappers only.

(2) No license to tap for sweet toddy shall be issued to any toddy shopkeeper or distiller or to any tapper employed by such shopkeeper or distiller whilst in such employment.

(3) The currency of the license shall, except as provided in the next clause, be from the date of issue till the 30th of September following.

(4) For the convenience of tappers, licenses will be issued during the fifteen days immediately preceding the toddy revenue year to take effect from the commencement of such year, provided that no sweet toddy shall be drawn except during the currency of such license. The licensees shall not tap for fermented toddy.

(5) Sweet toddy, if for jaggery manufacture, shall be removed from the tree only between 5 A.M. and 7 P.M., and, if for use or sale as a beverage, only between sunrise and sunset. Outside those periods no sweet toddy shall be kept in the block or fatt containing the trees tapped, except the freshly-drawn toddy contained in the pots attached to the spathes of the trees.

(6) Sweet toddy must be at once manufactured into jaggery or sold or used as a beverage, and no such toddy shall be kept by the tapper until the day following that on which it is drawn.

(7) No toddy drawn under these rules shall be conveyed to a shop for the sale of fermented toddy, or sold to any person licensed to tap or sell fermented toddy except for his immediate personal consumption.

(8) The license is subject to suspension or cancellation by the Collectors, or the Deputy Commissioner, Southern Division, in the event of a breach of its conditions or of the commission of any offence against the Abkári law on the part of the licensee or of any person in his employment, and no fresh license shall be granted to such persons without the previous permission of the Assistant Commissioner, Calicut Sub-division.
